SUBJECT: *Blonia Agins*
SECURITY MATTER - C *over name Josephson*

This case is being reopened under the program of investigating all individuals included in the Communist Index in the NYO.

The following minimum investigative steps must be taken:

1. Review file and all pertinent references thoroughly.
2. Contact informants, sources and defected Communists who could be expected to know the subject. Contact for evidence of current activity and also for the sources' evaluation of potential dangerousness.
3. Determine residence and employment. Check against the key facilities and classified contractors lists to insure full and complete dissemination is made. Submit Form FD-128 if the subject has moved to a new field division.
4. If the subject has been a CP "drop" or ceased activity suddenly, develop information to show the reason. Many of these "drops" are purely on the basis of theoretical and intellectual differences. The convictions of the persons involved remain unchanged in their hard-core devotion to the principles of international Communism, waiting only for what they consider to be a more favorable climate within ruling Communist circles. It should also be borne in mind constantly that unexplained cessation of Communist activity by a subject may well be based upon a contemplated assignment in espionage or illegal underground activity.

5. Consider interview or reinterview without regard to prior interview results. Bear in mind the Khrushchev revelations of terror under Stalin, anti-Semitism in the Soviet Union and the Hungarian revolt.

6. Secure a current description.

These cases must be given expeditious attention since it will be our responsibility to fully handle the approximately 4232 cases on individuals included in the Communist Index.

Additional instructions relative to the handling of these cases will be immediately forthcoming. In the meantime the necessary investigative steps should be taken so that there will be no time lost in launching this program.

Bureau airtel 12/12/58, authorized New York
to establish an observation post in the Hotel Grosvenor,
35 Fifth Avenue to assist in conducting surveillances of
subject at his residence, 30 Fifth Avenue, NYC. NY was
requested to evaluate this coverage constantly, making
certain that the expenditure is justified. The observation
post was instituted 1/6/59. [S]

The surveillances of the subject during the
past five weeks reflect a continuation of the pattern of
activities previously determined through surveillance
since 1/6/59, and as set forth in NY airtel 2/9 and 3/18/59.
Set forth below is a pertinent exception to this pattern.

to depart his residence at 3:20 p.m. He was placed under surveillance and immediately proceeded to 8th Street and Fifth Avenue where he met RUTH DAVIS. They walked to the Cookery Lafayette Restaurant, East Eighth Street and University Place. At 4:05 p.m. they departed this restaurant and then walked north on University Place to East Tenth Street, where they separated. RUTH DAVIS then proceeded west on Eighth Street and re-entered 30 Fifth Avenue.

Subject proceeded north on University Place to the IND Subway Station at 14th Street near Fourth Avenue. He paused near the change booth and looked about. He passed through the turnstiles, stopped, turned and waited for people to pass. At this time, one of the surveilling agents passed through the turnstile, passed subject, turned left, and did not further observe the subject. Subject then walked slowly through a long concourse, during which he was not surveilled. He was again observed descending a stairway to the 5th Street - Astoria northbound platform. He stepped into a northbound express train and immediately backed off. At this time the remaining surveilling agent was not on the platform but was descending the stairway. Several minutes later subject crossed the platform and entered a northbound local train and then backed off. The surveilling agent had entered the next car of this train and did not leave the train since this would have resulted in subject and agent being alone on the platform and would have jeopardized the security of the surveillance. This occurred at 4:10 p.m. and subject was not further observed.

As the Bureau is aware, this surveillance has been conducted in a highly discreet manner and on a spot

NY 105-17705 Sub D

basis. Since the surveillance was instituted on 1/6/59, there has not been any indication that subject or RUTH DAVIS are aware of the surveillance coverage. They have never been observed to be surveillance conscious nor evasive. Subject has never utilized a subway while under fixer except for the incident as set forth above.

It was the opinion of the agent who observed subject on 4/18/59, that he was not aware of any surveillance. It was apparent that he was dyeing his hair, possibly before making a meet. Under the circumstances set forth above, it was impossible for the agents to maintain the surveillance and remain unobserved by the subject. The incident indicated subject's continuing involvement in Soviet espionage.

This incident occurred on the third Saturday of the month and the NYO will remain alert to the significance of this fact and will take appropriate measures to cover subject on Saturdays. No unusual activity was observed on Saturday, April 25, 1959.

[REDACTED] b1

[S]
As the Bureau is aware, subject and RUTH DAVIS dine at the Cookery Lafayette Restaurant daily. In order to cover subject's activities while in this restaurant the NYO on 4/14, 15, 16 and 24/59 placed an agent and a GS-5 female employee within the restaurant during the early afternoon hours. Subject and RUTH DAVIS were observed within the restaurant on these dates, where they were observed eating and in friendly conversation with

DANIEL JOSEPHSON, Bufile 100-427501, the owner, and the latter's wife, CLONIA ASHER JOSEPHSON, Bufile 100-393044. As the Bureau was advised in re airtel, these two individuals appear to be close friends of the subject and DAVIS. INO contemplates continuing this coverage in the Cookery Lafayette Restaurant on an infrequent basis.

[REDACTED] b1
[REDACTED] / The INO deems a continuation of the observation post in the Grosvenor Hotel, as both necessary and desirable. The observation post will be continued and constantly evaluated to insure that the expenditure is justified. [S]

On 9/25/59 SAs of FBI (10 maintained 105-17705 Sub A and B) observed WILLIE WINSCH walking south on 5th Ave. near 9th St. at 11:33 AM. He walked to Wash. Sq. Park where he met GLORIA A KIN JOHNSON and an unknown woman, 40 yrs of age, 5'2-3, 130 lbs, short light brown hair combed straight back, chunky build, wearing dark green suit, black handbag who walked slightly tilted from the waist and wore horn rimmed glasses.

From 11:40 AM until 12:02 PM these three individuals were observed to walk around and through the eastern section of the park talking. At 12:02 PM subject left these two women and was last observed walking north on 5th Ave. When subject entered park he look about as though a meeting had been arranged earlier.

At 12:59 AKHIN and the unk. woman left the park and walked to 30 E. 9th St. where AKHIN resides. At 2:14 PM AKHIN and unk woman observed leaving Cookery Layayette restaurant, E. 8th St and University Place. They immediately entered a taxi, lisc. 0-16278 and were not further observed.

On 9/28/59 LOUIS WINSCH, 110-18 Burden Crest, Queens, NY the owner and driver of this cab, ~~substantiated~~ furnished SA TEACHER with his trip sheet for 9/25/59. This reflected that at 12:55 PM he picked up two fares at 8th St and Broadway and deposited them at 1:05 at 320 Broadway. He stated these two women entered this building. There is no explanation for the discrepancy in time as reflected by this trip sheet except experience has demonstrated that taxi drivers are not too accurate in keeping them. No other entry for 9/25/59 fits the above situation.

Arrangements have been made with the supervisor #344 to have EASY team, who conducted the above fisur, maintain a fisur vicinity 320 Broadway to see if the unk woman can be observed in the area.

WILLIE WINSCH has been identified as a Soviet Intelligence agent.

[REDACTED] After hearing a description of the unknown woman observed with HIRSCH on 9/25/59, he advised that this description fitted that of BLANCHE FREEDMAN who has offices on the 6th floor of 320 Broadway.

An inquiry of an information operator of the New York Telephone Co., determined that BLANCHE FREEDMAN now resides at 35 W. 92nd St. Her former address was 1335 Madison Ave.

On 12/1/59 SAS JAMES H. BLAKE and JAMES R. REED observed the above described unknown female depart 35 W. 92nd St. at 7:40 a.m. She proceeded by bus to 70 Columbus Ave. At 9:07 a.m. she entered the offices of INS, US Department of Justice, 70 Columbus Ave.

In view of fact Gloria Agrin Josephson is indicated to be the attorney for Willie Hirsch who was arrested 10-27-60 and his scheduled for removal hearing on 11-3-60, it would appear highly unlikely that the Josephsons will make the trip referred to in relet. In any event, even if they were to make such trip, it is not believed the Bureau should make any effort to cover their trip through our Legats or CIA in order to avoid any possibility of compromising action in connection with the prosecution of Hirsch.

Accordingly, no action is being taken to advise CIA or request any coverage at this time. You should, however, make appropriate inquiry to determine the Josephsons' plans concerning this trip and advise the Bureau.

GLORIA AGRIN JOSEPHSON is recommended for inclusion in Section A of the Reserve Index because of her past CP membership, activities in numerous CP fronts and utilization of legal ability in behalf of subversive individuals. On 10/27/60, she represented WILLIE HIRSCH, a known espionage agent, at his arraignment in the USDC, SDNY.

On 11/17/55 and 1/6, 10, 24/56, MARY M. NICHOLS, 148-20 112th Avenue, Jamaica, Queens, NY, an admitted former CP member, advised that GLORIA AGRIN was on the Editorial Board of the National Lawyers Guild (NLG) and was a CP member in 1947 and 1948, at which time AGRIN attended meetings of the Lawyers Club of CP.

It is believed that in the event of a national emergency, GLORIA AGRIN JOSEPHSON would probably influence others against the national interest and render financial and material aid to subversive elements.

On 10/15/65 SA [REDACTED] checked the directory of individuals and firms at the office building at 299 Broadway. The subject was not listed. On 11/1/65 SA [REDACTED] made a call to WO-4-7428 [REDACTED] call [REDACTED] b7E

An unidentified male advised the subject did not have office space there and had not practiced law for at least a year. He stated he realized she listed the telephone number in the telephone book, however, just stated she had not practiced law for at least one year.

A review of the subject's case file and the indices of the NYO reflected no pertinent unreported subversive information since report of SA [REDACTED] 11/4/61 at NYO.

CRD

The subject is not being considered for interview because she has her own attorney and has represented and been in contact with espionage subjects in the past.

The subject should be retained on the RI-A because she is an attorney admitted to practice in the area, even though she is not known to be employed in such capacity at this time.

No leads are outstanding therefore this case should be closed.
